The local successful bidders

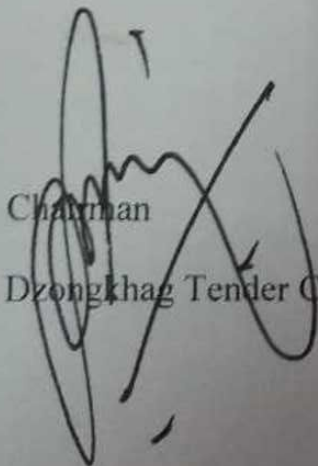

Subject: Corrigendum

Sir/Madam,

This is with reference to **NIT dated 12th June 2018** of Pemagatshel Dzongkhag Administration regarding the Package no.11 of Dzongkhag Hospital Canteen & Catering for local bidders to be participated. The bill of quantity (BoQ) of patient diet has mistakenly attached in bidding documents which is not appropriate. However, BoQ of patient diet would be erased and only price schedule of meal and catering would be placed in new uploaded bidding document.

The Dzongkhag Administration is extremely apologetic for the inconvenience caused.
